The Last Call

The idea is that the only color provided to the interior is the brilliance of the colors created by the Earth outside. It is about living indoors as an extension of the outdoors. The Roost 26 by [Perch & Nest](#) of Winston-Salem, NC is a beautiful example of style and function. First displayed at the 2018 TinyHouseNC Street Festival, this tiny house on wheels has gone on to showcase how incredible a tiny house can be in an urban infill situation as it sits boldly in downtown Winston-Salem.
